The Library of Michigan Foundation

The Library of Michigan needs your support. Your gift will make certain that the Library of Michigan achieves its mission to consistently provide the highest level of library service to the State of Michigan, its libraries and its residents. Every gift makes a difference!

Your Annual Gift —

The Library of Michigan Foundation serves the Library of Michigan with funding for special collections, such as the Michigan Rare Books and Michigan Collections, and services including the MCB Braille and Talking Book Library (BTBL) and MeL.org (Michigan electronic Library). Foundation donors provide important annual financial support, impacting services, collections and programs.

Gifts of Stock —

The Library of Michigan Foundation accepts gifts of stocks. Donors who make gifts of stock avoid capital gains tax on the appreciated value of the securities and receive an income tax deduction based on the value of the securities at the time the gift is made.

Capital Region Community Foundation —

The Library of Michigan Foundation has established an endowment fund with the Capital Region Community Foundation. Gifts made to this fund are eligible for the Michigan Tax Credit, reducing the donor's tax liability by one-half of the amount of the donation. For information, contact the Capital Region Community Foundation, 517-272-2870.

Planned Gifts —

Is the Library of Michigan Foundation on your will? Bequests allow donors to make a larger gift than might have been possible during their lifetime. Planned giving reduces income taxes and avoids capital gains and estate taxes.

For More Information —

If you have any questions or would like additional information, please contact Carolyn Sparks, Foundation Executive Director, at 517-373-1297.
